ITW EAE expands partnership with Etek Europe to Represent Despatch products in the UK and Ireland.

Lakeville, Minnesota, USA, November 13, 2024 – ITW EAE, announces a new partnership agreement with Etek Europe to further expand its representation and distribution network. Under this agreement, Etek Europe will represent Despatch products in the United Kingdom and Ireland. This agreement is an expansion of Etek Europe company's representation of ITW EAE's product line which already included MPM printers, Camalot dispensers and Electrovert wave soldering and cleaning systems in Bulgaria, Ireland, Romania, Ukraine and United Kingdom.

"We are very excited to add Etek Europe to the Despatch Sales Team! We believe that their experience and knowledge of the existing and potential customers in the UK & Ireland markets will broaden and enhance the exposure of the Despatch brand in these countries. They have a great internal selling team as well which should help to accelerate our selling success", said Mark Clementz, Despatch Global Sales Manager.

Etek Europe is recognized for its extensive portfolio that includes capital equipment sales, installation, upgrades, training, maintenance, and ongoing support and will now offer Despatch high-performance industrial ovens and thermal processing solutions. As a global leader in the design and manufacture of advanced thermal products, ITW EAE Despatch specializes in applications across the electronics, healthcare, materials, transportation, and industrial sectors.
