Agreement Signed With eBerian Assembly to Represent ITW EAE Equipment in Spain and Portugal

Lakeville, Minnesota, May 22, 2023 - ITW EAE announces a new partnership agreement with eBerian Assembly for Spain and Portugal to represent ITW EAE per June 1, 2023. The representation involves the full portfolio of ITW EAE equipment; MPM printers, Camalot dispensers, Vitronics Soltec wave, reflow and selective equipment plus Electrovert soldering solutions and cleaners.

"eBerian Assembly brings superior knowledge and experience in electronics assembly equipment to the market," said Wim Schouten, Sales Manager for ITW EAE. "We are very fortunate to have this first-class, technically experienced team representing the full range of ITW EAE's equipment. The eBerian Assembly team has serviceability as their primary focus and can be counted on to serve all our customers well."

"We're very pleased to represent ITW EAE throughout Spain and Portugal" said Carlos Olmos CEO of eBerian Assembly. "ITW EAE is a pioneer in electronics assembly equipment with a reputation for cutting edge technology combined with quality manufacturing and service support. We look forward to representing these high-quality products."

eBerian Assembly team specializes in knowledge and distribution for the electronics manufacturing industry. They will be responsible for sales, service, and parts for MPM printers, Camalot dispensers, Vitronics Soltec wave, reflow and selective equipment, and Electrovert soldering solutions and cleaners, serviced from eBerian Assembly office located in Barcelona Spain.
